

Be a part of something special...

## OMFC Sponsorship 2011

# Your Opportunity

The OMFC fields 5 teams in the VAFA competition, with our senior XVIII playing in the Premier Grade.

With a registered supporter-base of more than **1000 followers**, and close links to the entire Melbourne Grammar community and its famous **old boy network**, an affiliation with this club can be a powerful element of any marketing strategy.

We have a range of **opportunities** and sponsorship categories ranging from investments of \$500, right through to our Platinum level sponsorship at \$10,000, which are the primary levels of support sponsorship alongside GAZMAN's MAJOR **partnership** with the club.

Recognising that what works for one sponsor might not work for the next, we are completely **flexible** in our ability to build a set of sponsor **entitlements** that suit your business needs – signage, website links, special offers communicated to the database, naming rights of club events and product placement at functions – we're happy to tailor a solution for your business that gives you maximum **brand exposure** and **return on investment**.

Don't miss the boat – the 2011 season promises to be a big one for the Redlegs! Check us out at [www.omfc.com.au](http://www.omfc.com.au)
